

Living Faith Changing Lives Making a Difference.

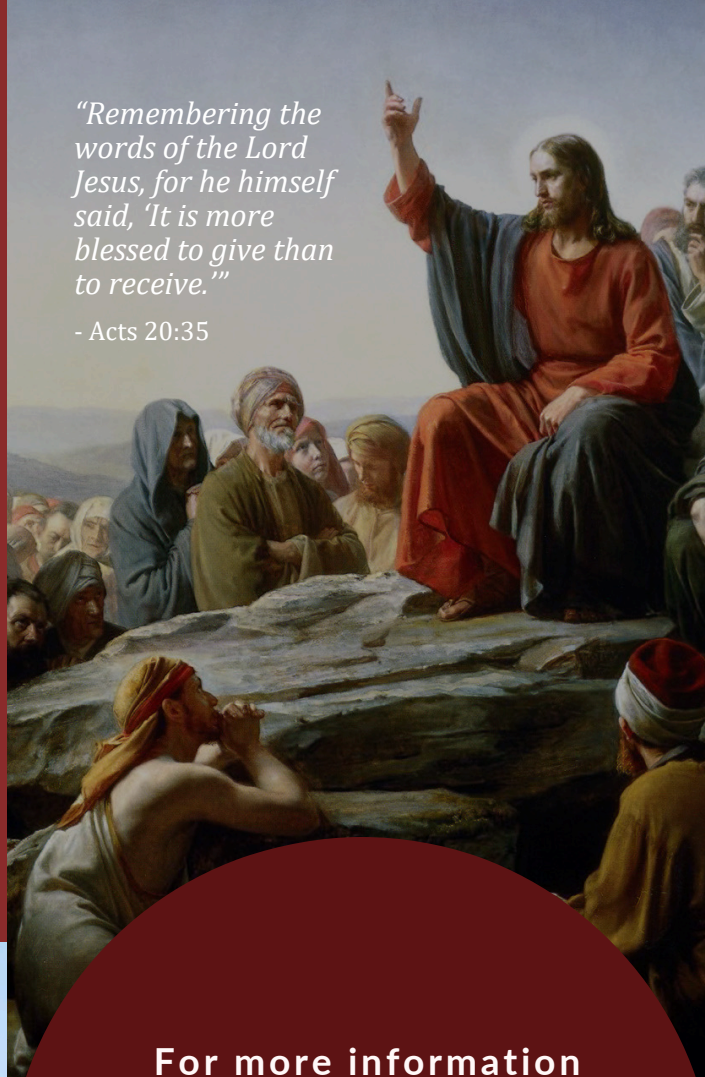

Our Mission

"They devoted themselves to the teaching of the apostles and to the communal life, to the breaking of the bread and to the prayers." Acts 2:42

As disciples of Jesus, we all share in this same mission. In our personal lives, professional lives, at home, work, school or church, we strive to be a community of Living Faith, Changing Lives, and Making a Difference.

"Remembering the words of the Lord Jesus, for he himself said, 'It is more blessed to give than to receive.'"

- Acts 20:35

Why should I give?

Our parish, like every organization, institution and family needs and requires money to support the many activities that keep things “running and the lights on.” While important, that is not the primary reason for our financial stewardship. The primary reason we give is more important. Our financial support is not just giving to the parish's needs, as important as that is, but recognizing our need to give!

When we offer our financial stewardship, we recognize that everything we have has first been given to us by God. Everything. Our stewardship is our return to God of our thanks and appreciation for all the good He has bestowed upon us. Our financial stewardship is a part of living our faith in God as disciples of Jesus Christ.

As faithful disciples, we all share in the Church's mission and are responsible for furthering it. Our financial stewardship is our thanksgiving for our blessings and our commitment to the spread of the Gospel.

How much should I give?

How much have you been blessed? To those who have been given much, there is much to be thankful for! Each person should offer their financial stewardship according to their ability and as a sacrifice of thanksgiving and love. The Bible speaks of a tithe (10%). For some, this may be possible, and for others, it may be a challenge. What is possible for everyone is to offer our first fruits and to do so to the best of our abilities with the gifts that we have been given.

Our financial stewardship should be meaningful, proportionate, spiritual, and intentional. We offer our stewardship as a sacrifice in thanksgiving.

Not to us O Lord, not to us, but to Your name we give Glory! Ps 115
